

How We Communicate With You!!

Jim Barnes MS Band

EMAIL

If you haven't been added to the Band Email List, please email smoriarty@seguin.k12.tx.us to receive important information, reminders and itineraries for upcoming events. This will be the main way of communication this year and we want everyone to stay in the loop and know what is going on.

WEBSITE

www.jimbarnesmsband.com is the website created by Mr. Moriarty and Ms. Rios to allow all parents and students to access at any time important information, calendars, student/parent forms, payment due dates, payment schedules, itineraries and more! This is the first time the Band Program has had a website and we believe this is a very useful tool for everyone included.

REMIND

Join Remind to receive on-the-go updates and reminders about concerts, events, trips, sectionals and more. We mainly use Remind for sectional practice reminders the night before, quick concert reminders, concert information. This is not the main way of communication, so please do not rely on Remind for everything.

FACEBOOK

We have a Facebook page!! If you are on Facebook, please search "Jim Barnes Middle School Band" and Like the page. Some updates are posted here, but not all. You should not rely on Facebook for the main way of receiving information about upcoming events.

INSTAGRAM

Follow @jimbarnesmsband and see what we're up to. This is a fun, social way to keep up with what the Band is doing and more.
